

Support your dreams inside and out of the arena with programs through NRHyA.

SCHOLARSHIPS

In 2020 over \$37,800 were given in scholarship dollars to NRHyA members! These opportunities include RHF and Affiliate Regional Championship Scholarships, and those earned through Varsity Reining Club.

LEADERSHIP

Two delegates per region are elected at the Youth Meeting held at your Affiliate Regional Championship. This is an opportunity to represent NRHyA at a local level and the starting point to becoming a national officer!

SERVICE

Varsity Reining Club awards points for activities outside of the show pen such as community service, photography, good grades, helping at a horse show and more! Members are then awarded scholarships and can use points to collect prizes!

COMPETITION

Youth members with the highest number of points in the Youth 13 & Under and Youth 14-18 are awarded World Championship titles with prizes awarded through 10th place.

FUN

NRHA has nearly 100 affiliates and over 800 shows per year to give our youth a chance to connect with others worldwide!
